

DarkSky TEXAS

Better Lights for Better Nights

PROGRAMS

BE A STAR AWARD

The Nature, Neighbor, and Night-Skies Friendly Lighting Award®. This award rewards landowners who contribute to conservation efforts by protecting the night sky.

SKY QUALITY METERS

Sky Quality Meters are being stationed across Texas. DarkSky Texas will share the scientific data on a Dashboard to educate Texans about the status of light pollution in our state.

TEXAS DARK SKY PLACES

DarkSky Texas successfully supports Texas cities, parks and places seeking to become recognized International Dark Sky Places (IDSP). Our experience makes all the difference!

ADVISORY COUNCIL

Motivated individuals who are committed to restoring dark skies in Texas and provide expertise to facilitate our mission, fulfill strategic objectives, and support conservation initiatives.

THE BOLD INITIATIVE

1 Useful

2 Targeted

3 Low Level

4 Controlled

5 Color

The BOLD Initiative:

- Inspires and assists partners with implementation of the *Five Principles of Responsible Outdoor Lighting*
- Work with partners to educate employees and volunteers
- Customize educational materials for partners to reach the public they serve

WAYS TO SUPPORT

Supernova Sponsor - \$50,000

Highest level of sponsorship representing a powerful and explosive presence in supporting the organization

Star Cluster Sponsor - \$10,000

Shine brightly, just like the vast and beautiful galaxies in the universe and receive prominent recognition

Planet Sponsor - \$2,500

Provide stability and essential support, much like planets in our solar system

Asteroid Sponsor - \$250

Play a crucial role, impacting the event positively with their support
